## NEWS

### Hygiene Bags

Filipino lay missionary Betty Millena runs Women's Health classes in rural villages outside Siem Reap. As part of this she distributes basic toiletries, underwear and washing soap to encourage good health habits among these very poor families. To help the women keep their items safe and take pride in their health, Betty has asked Support Cambodia to provide 150 Hygiene Bags, one for every woman. Our team have been busy making these with the help of our wonderful Support Cambodia Sponsor 'Tuliptree Fabrics' at Marsham. We have now received a request from Sr Vangie for a further 100 bags. If you'd like to be involved, please contact TRISHA at <https://tuliptreefabrics.co.uk> Alternatively, an online donation will help provide items to go in the bags.

### Cambodian Craft Sales

Proceeds went to pay for Formula Milk for babies affected by Covid.

Aylsham Market Place and the Farmers' Market was the venue for our first fundraiser since COVID19. It was very strange to be there without Bob but it felt good to be back – and we were so thrilled with the total amount raised - an amazing £449.40. Thank you to everyone who helped on the day and to everyone everyone who came along to support us.

Katie also ran a stall in Libby's Courtyard Garden in Aylsham on Saturday 5th September. With help from Cathie Dixon and Beverley Youngman, a new supporter. They raised a further £314.79.

On September 12th, Fran Ludden and Roma Brooder ran a 'small homemade crafts and simple gifts stall, which raised over £120.

**Well done Katie and the whole team!**

## **Other Project Updates**

The money for baby milk has been sent to Sr Vangie and the baby milk has been distributed to mothers she has identified as in particular need of support.

While the building of the toilet block at Reedonkao has been agreed - discussions regarding the design are still ongoing.

## **Upcoming Events**

## Online Quiz

Susie Thomson and her family are planning to host an online ZOOM quiz sometime before Christmas. Keep an eye on our website and Facebook Page for details.

## Crafts & More...

Given the current restrictions, we don't know when/if we'll be able to hold our next public event or sale. Although we are considering some form of online selling, the logistics of setting that up are not presently an option. So, in the meantime, if anyone would like to purchase any of our Cambodian crafts, handmade items, preserves, apples or books, please contact us and we'll see what we can do.
