CAMBODIA FLOOD APPEAL

October 2020

CAMBODIA EMERGENCY FLOOD APPEAL

As if the problems caused by Covid-19 weren't enough, much of Cambodia is now suffering its worst flooding for many years. According to the Khmer Times, 19 provinces are affected and 16 people have died. Further problems await with a typhoon predicted to hit northern Vietnam on October 17th, resulting in adverse weather conditions in Cambodia between October 17th and 19th.

What is happening?

In Banteay Meanchey, families outside Svay Sisophon have been given shelter at the Xavier Jesuit School, in Battambang the River Sanke has burst its banks and Tampung, Nikum and Chomnaom are also very badly affected. In Pailin Province farmers in the villages where [Support Cambodia](#) have contributed to the Microfinance Programme, have lost

all their crops and with the continued closure of the Thai border and other work opportunities also shut down, families urgently need help to survive. Last week Sister Vangie Dunton requested \$1000 for emergency rice in Pailin Province and this has been sent but it will not be nearly enough and many other areas are experiencing similar problems.

What are we doing?

We have decided to bring forward our **Annual Appeal**, due to take place in November, and open it immediately to provide emergency food, toiletries, formula milk and microfinance loans to restart ruined businesses.

The Trustee Board are aware that many of you have already contributed generously to **Support Cambodia** in the last 6 months and your generosity at this difficult time has been very heartening – thank you all so much.

BUT THIS IS AN EMERGENCY...SO PLEASE..... CAN YOU HELP?

Donate in cash, by cheque, by bank transfer or via [VirginMoneyGiving](https://www.virginmoneygiving.com), marking your donation “Emergency Appeal”. Full details at www.supportcambodia.org.uk. Gift Aid is available.
